COMMUNITY WORKSHOPS

The City of Greenacres is dedicated to building a safe, accessible, and equitable transportation network for all. Through the Safe Streets for All (SS4A) Safety Action Plan—supported by the U.S. Department of Transportation and the national Vision Zero initiative—we're working to eliminate serious injuries and fatalities on our roadways with community-focused safety strategies.

Community input is essential to the success of Greenacres' Safe Streets for All initiative. Residents, business owners, commuters, and youth are encouraged to get involved by sharing feedback through surveys, reporting safety concerns to SafeCity@greenacresfl.gov, and attending upcoming public workshops:

PUBLIC WORKSHOP #1:

Community Open House

Date: Wednesday, May 14

Time: 5:00 – 8:00 p.m.

Location: Greenacres Community Center
501 Swain Blvd.

PUBLIC WORKSHOP #2:

City Council Meeting

Date: Monday, June 2

Time: 6:00 p.m.

Location: Greenacres City Hall
5800 Melaleuca Ln.

TOGETHER, WE CAN SHAPE SAFER STREETS FOR EVERYONE.
